

A special meeting of the Michigan City Council was held Monday, August 16, 2010 at 5:00 p.m. The meeting was called to order by Mayor Bernie Linstad. Members present were Maria Vasichek, Scott Midstokke and Rodney Fisk. Absent Scott Gilbertson.

Maria received an estimate from a company to repair and straighten some monuments at the cemetery. She stated that St. Lawrence O'Toole Catholic Church is willing to share in the cost of the work. After discussion it was decided to table any action until the September meeting. In the mean time Jay will try to receive estimates from Widseth Smith Nolting for surveying and platting costs, Nelson County Highway Dept. for a culvert and building an approach to the new addition and other costs for leveling, drainage and road. Jay will invite Chris Jordheim from WSN to attend the September meeting.

There was discussion on the inert landfill. The gate to the landfill has been locked because of items showing up that are not allowed to be dumped there. Mayor Linstad will put together a letter to be published in the Michigan Arena. Further discussion will be tabled until the September meeting.

Rodney Fisk made a motion to adjourn. Meeting adjourned.
