

December 11, 2013

Public Meeting at the Michigan Civic Center was held.

Mayor Rysavy started the meeting at 7PM. She introduced the City Engineer, Andrew Aakre, and Jesse Berg with Moore Engineering. Council members present were Rod Fisk, Scott Gilbertson, Scott Midstokke, and Kathy Gilbertson.

Members of the public in attendance were Frank Rysavy, Bernice Anderson, Kelly Janke, Tim Anderson, Lonnie & Renee Anderson, Brandon Workman, Jay Gilbertson, Richard & Sharon Young, Vicki Staniszewski, Michelle Linstad, and Stan & Judy Barta.

Andrew Aakre spoke about needed Water and Sewer Improvements in the city. Andrew provided a powerpoint presentation. Slides from the presentation will be available at the city office and posted on the Michigan website. Andrew also spoke about funding options available to pay for the project.

The public had time to ask questions of the engineer. Questions on the water tower condition were asked and Mayor Rysavy presented the Inspection Report from H&H Coatings that was received in December. This was available for attendees to review.

The meeting concluded at 8:25pm.
